For Members

USA Volleyball and the Regional Volleyball Association's policies prohibiting misconduct shall be the same as the applicable policies of the US Center for Safesport.

It is the policy of USA Volleyball and the Regional Volleyball Associations that there shall be no form of harassment directed at any participant by any coach, official, director, employee, parent, volunteer, independent contractor, support staff, or other participant.

The full harassment policy applicable to members of the Lone Star Region can be found in the USA Volleyball (USAV) Safesport Handbook. <https://www.LSvolleyball.org/safesport>. Further information can be found in the United States Olympic and Paralympic (USOPC) Safesport Code (Article IX, Section D-5). Both documents are available on the Lone Star Region's website – <https://LSvolleyball.org/safesport/>. The language in this policy is pulled directly from the USAV Safesport Handbook (2019-2020 Season) and will be updated as appropriate upon publication of new documentation.
