

## CREATING A NEW CLUB OR REINSTATEMENT OF AN OLD CLUB

The creation of a new Club, within the Lone Star Region Volleyball Association, can be as simple or complex as you wish to make it. They can be a simple “Mom & Pop” operation, with as few as one team. Clubs may also be large incorporated entities, with a great number of teams. We are now creating, either INDOOR or BEACH clubs. The club can also be a combination of the two.

New clubs can only be created by the Region Office, **at a fee of \$100**, for each club. Clubs must be located within the geographical boundaries of this Region. A club can only be created in the region in which its club director resides. Each club will have only one club director.

To create a new club, or reinstate an old club, the Region Office must receive a written (email or letter) request providing the following information: **CLUB NAME; CLUB DIRECTOR’S NAME; CLUB’S COMPLETE MAILING ADDRESS; CLUB PHONE; CLUB EMAIL ADDRESS; INDOOR or OUTDOOR; LEVEL OF PLAY.** The level of play refers to the following: **Adult – Men; Adult – Women; Junior – Boys; Junior – Girls; or any combination thereof.**

Applications, along with the \$100 fee, will be sent to: Lone Star Region; 1608 Canyon Oak; Schertz, TX 78154. Email: [willvick@satx.rr.com](mailto:willvick@satx.rr.com).

***Note: Club name changes will be treated the same as creating or reinstating a club. These changes must be accompanied by a \$100 fee, which must be received before the change can be implemented.***
