

WIN LOSS RECORD

Team Name	1	2	3	4	5	6	7	W	L
1									
2									
3									
4									
5									
6									
7									

Place score for team 1 first in the box matching the team they played. Then reverse for the opposing team.

Ex: Team 1 plays Team 5. On line 1 place the score for each set under box 5 with team 1's score first. Then go to line 5 and place the scores under box 1 with team 5's scores first. Then place a hash mark in the Win or Loss columns accordingly.
