

USA Volleyball and Regional Volleyball Associations Committed to Safety for All Participants

The safety of its participants is of paramount importance to USA Volleyball. USA Volleyball has ZERO TOLERANCE for abuse and misconduct. This includes not only on-court safety, but also off-court safety in any part of USA Volleyball's programs. USA Volleyball is committed to creating safe and fun environments for youth. This includes, but not limited to, providing training, educational materials and resources for our regions, clubs, coaches, parents and athletes.

The SafeSport online training program teaches you about the nature of misconduct in sport: how to recognize it, how to prevent it and how to take action. The information in this course will help to keep sport a positive experience for every athlete, coach and volunteer.

The Lone Star Region of USA Volleyball has mandated that **all** Adults serving in Junior programs or events, must be SafeSport certified prior to participating in sanctioned events.
