

LONE STAR REGION CLUB SANCTIONING

Sanctioning is required before a club can become part of the Lone Star Region of USA Volleyball. Clubs must be located within the geographical boundaries of this Region. A club can only be created in the region in which its club director resides. Each club will have only one club director.

The creation of a new Club can be as simple or complex as you wish to make it. They can be a simple “Mom & Pop” operation, with as few as one team. Clubs can also be large incorporated entities, with a great number of teams. We are now creating, either INDOOR or OUTDOOR clubs or a combination of the two.

New Club Fee: \$100

New Collegiate Club: No charge

Club Name Change: \$100

Use the following link to submit your application for your new club or to change a club name.
