CRANE-WINLOSS4.CDR - 03-24-17

Place score for team 1 first in the box matching the team they played. Then reverse for the opposing team.
 Ex: Team 1 plays Team 4. On line 1 place the score for each set under box 4 with team 1's score first.
 Then go to line 4 and place the scores under box 1 with team 4's scores first. Then place a hash mark in the Win or Loss columns accordingly.
