

## 2021 Important Information for LS Regionals & GJNC

LS Jr Dev Dir, Dick Kappel

The **Bid division** at LS Regionals will be limited to 48 teams (the 11s at 24 teams). The 48 teams accepted into the Bid division will be based on the Lone Star Region's Jr Development Director's Ranking Committee. The ranking is displayed on the Lone Star Region and updated approximately every two weeks. The initial field of teams for 2021 LS Regionals will be determined on March 26 for ages 12s/13s and March 26 for ages 11s, 14s-17s based on the LSR Ranking that is published on March 25. Replacements for any qualified team or teams that drop out of the Bid Division will be drawn from the post Lone Star Classic Rankings (April 15 for 11s-14s and April 21 for 15s-17s). See the applicable host tournament website for registration instructions. <http://lonestarregionalsvb.com/>

The Lone Star Regional tournament will offer up to 3 divisions depending on the amount of entries – see chart below (Bid, Elite and Club). The Bid and Elite divisions will be contingent on the team's regional ranking. Any team that registers for the Bid division and does not fall into either the Bid or Elite division will be offered to play in the Club division.

The projected division sizes:

<u>Age</u>	<u>Bid</u>	<u>Elite</u>	<u>Club</u>
11s	Top 24	Next 16-24 teams	Next 64-80 teams
12s	Top 48	Next 48-64 teams	Next 64-80 teams

14s	Top 48	Next 64 teams	Next 64-80 teams
15s	Top 48	Next 64 teams	Next 64-80 teams
16s	Top 48	Next 48-64 teams	Next 64-80 teams
17s	Top 48	Next 48-64 teams	Next 64-80 teams
18s	All 55 teams		

### Club Directors – How to Register

\*Teams will only have 2 options when registering, Bid or Club. After the registration deadline, the tournament hosts will add the Elite division and move teams accordingly.

1. **Register for Bid division** -> If your team would like to be considered by the region's seeding committee with a chance to earn a spot in the Bid division
2. **Register for Club** -> If your team would not like the opportunity to earn a Bid

### Acceptance Procedure:

LSR will be split into 2 weekends. The first weekend, April 24-25 will be the 12s in Austin and 13s in Houston. The second weekend, May 1-2, will be the 11s, 15s-17s in Houston and 14s in Austin.

- At the respective registration deadline any team registered in the Bid division that has completed all registration requirements (registered on AES and submitted payment) will be sent to the region and considered by the seeding committee.
  - Approximately a week after the registration deadline, the region will confirm the 48 teams to be accepted into the Bid division and the next 48-64 teams (depending on age group) to be accepted into the Elite division. Those teams will be notified and officially accepted as of that date.
  - Any team that had registered for but does not place into the Bid or Elite division will be offered to play in the Club division.
- Club division is open to any team that does not wish to be placed in the Bid division.

### **Important Reminders:**

Teams registered for the Bid division will not be accepted until after the registration deadline when the region has approved the ranking.

- The Elite division is considered a non-bid division. The only bids available will be awarded in the Bid division.
- Finalizing Divisions after NQs: The 48 teams accepted at the time of the registration deadline will remain unless there are drops from those 48 teams based on earning Bids at a National Qualifier
  - Teams will be moved up accordingly from the Elite to the Bid division

### **Policy for Teams with GJNC Bids Playing Up in non-bid Club Divisions**

- 1) A team with an Open Bid may play up by one or two age groups in a Club division.
- 2) A team with a National Bid may play up by one age group in a Club division (also by two age groups if approved by the region office).
