

LONE STAR REGION MEMBERSHIP INSTRUCTIONS

If you are participating in a volleyball club in the Lone Star Region, whether athlete, coach, or administrator, your club will send you a Membership Purchase link. Please purchase your membership through that link.

The process of purchasing a USAV membership will require that you log in to an existing account or create a SportsEngine account.

An adult must be the owner of the SportsEngine account. Athletes will show as a sub-profile on the account. If there are no athletes listed, they will be added during the membership purchase process. **A SportsEngine account cannot have two adults listed.** If you are a coach or a referee, you must have your own SportsEngine account.

Once the invitation link is selected you will be taken to a GET STARTED screen with your club's name listed near the top of the screen.

Select GET STARTED to begin the membership purchase.

You will be asked who the membership is for. Your child will have a sub-profile listed under Child Profiles.

The screenshot shows the SportsEngine (se) interface. At the top, it says "Welcome Back, Joaquin!". Below this is the heading "Who's this Membership for?". There are two main sections: "Child Profiles" and "Add new child".
